

# CHECK YOUR VEHICLE FOR SAFETY RECALLS TWICE A YEAR!

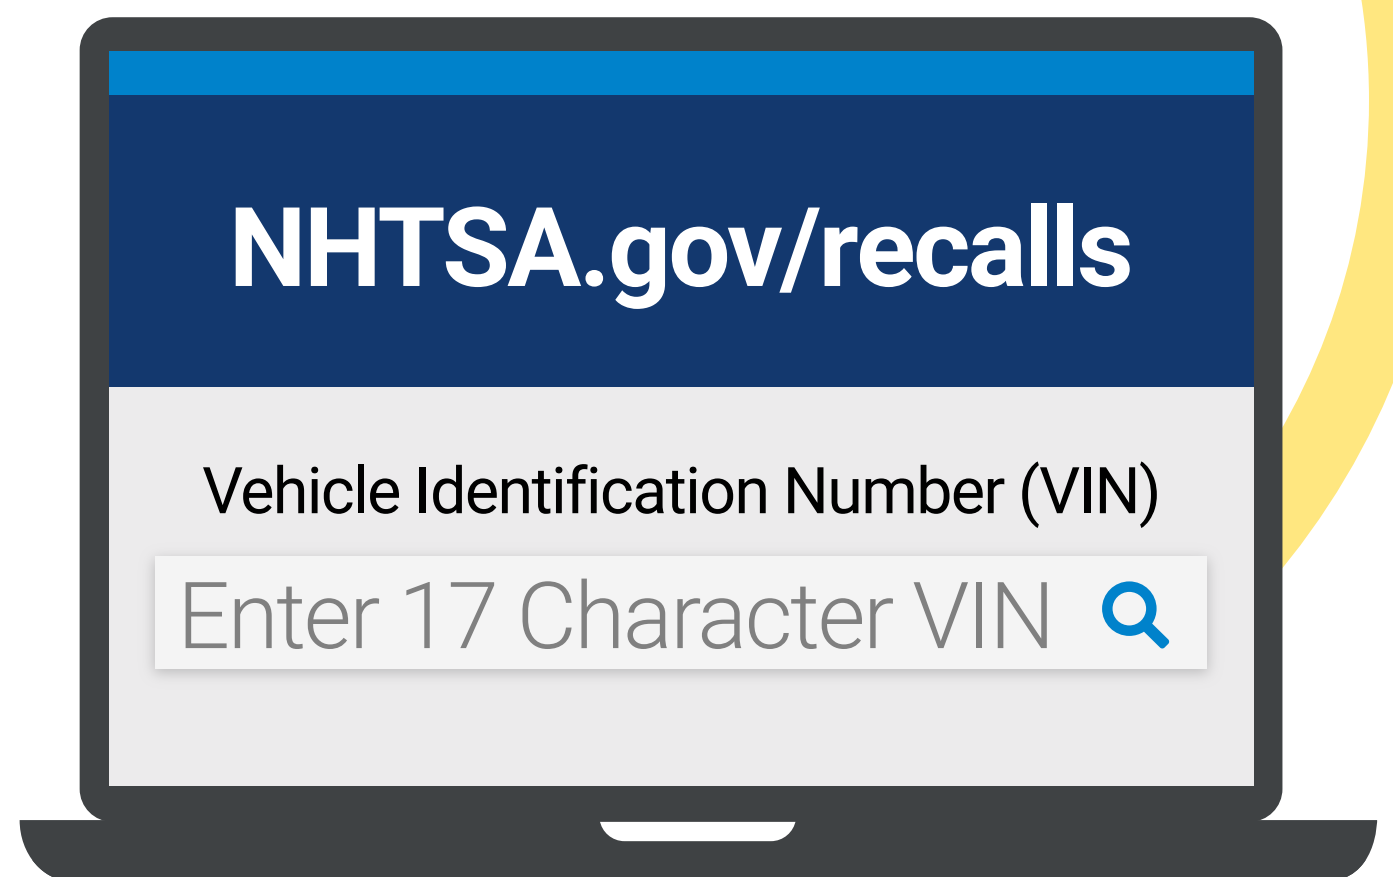

Daylight Saving Time is a great time to remind yourself to check for safety recalls.

- ~ Change clocks.
- ~ Change smoke detector batteries.
- ~ Check for vehicle safety recalls.

**2X/YEAR**

Safe Cars Save Lives. #CheckForRecalls

# CHECKING FOR SAFETY RECALLS IS FREE AND EASY!

Locate your vehicle's 17-character VIN in the lower portion of your car's windshield.

Visit  
[NHTSA.gov/recalls](https://www.nhtsa.gov/recalls)

Enter your VIN.  
NHTSA will provide  
details on any  
unrepaired recalls  
for your vehicle.
